Devin Taylor was a wildly popular model who has retired, sadly.

How Things Work Around Here

Dear XL Girls,

Love the magazine and the women in it. I recently wrote a similar letter to your sister magazine *Voluptuous* in regards to models. Now it's a little different with you guys because V-mag is published monthly, but some of the more popular girls you had they no longer feature. Covergirls like Vivian Alise, Kat Vixen and Devin Taylor haven't been featured in a while. Sweety, Lou Lou, Tia Imea just to name a few have not been featured in quite some time. Is there some kind of rotation for your models? Or do they just decide to no longer model? If that is the case can we the fans get some kind of update? Nothing stalkerish just FYI. Also I noticed that you borrow some ladies

from V-mag to fill out *XL Girls* (no pun intended) like Ashley Sage Ellison and Renee Ross. Is that why you're only published every four to six months? The talent pool is shallow. It's got to be difficult to find sexy, big girls who have the curves and T and A and convince them to show off the goods. Anyway, keep doing your thing.—D.M., Jefferson City, Missouri

Dear D.M.,

There's no specific rotation for our models. Many of the models you mentioned have retired. Sometimes they come

back, sometimes they don't. We can't give updates on them unless they specifically request us to.

He wants to See Sapphire and Alice Go Tit to Tit

Dear XL Girls,

I would like to see two of my favorites together. The girls I have in mind are Sapphire and Alice Webb. They both have the same long, loose, torpedo-type tits that I love. They could compare tits and crotches in several all-naked scenes. For sure have them do a side-by-side hands-off

Reader B. from Las Vegas wants to see Sapphire and Alice Webb posing together since they both have "the same long, loose, torpedo-type tits."

Dors is so hot it doesn't matter that she doesn't spread her pussy.

self-suck pose. Then do some full-length photos where they are stretching out their tits and lifting them up by the nipple. I'd also like to see a lift and drop sequence, some hanging shots and then photos of them with their legs spread wide and their cunt holes opened to the max.

If they do girl-girl have them do the hands-off tit-suck-lift to each other, then have them screw each other with a strap-on. Make sure it's a big, long one that's long enough to hit bottom and still keep the girls apart for a full view of the penetration.

Also I would like to see all the girls' video scenes listed in the Tale of the Tape box. This would be good for sales also. Does Alice Webb have any DVD appearances yet or plan to? Please try to get an interview with her. Thanks.—B., Las Vegas, Nevada

Dear B.,

Alice Webb is in the DVD Plus Sized & Plugged. Order it on page 9.

Dors Doesn't Need to Spread

Dear XL Girls,

Holy moly, Dors Feline! Where did you find this one? She's fucking great. A real winner and amazingly hot plumper if I ever saw this one. Wow. She made the Aug. '11 issue (SP214) a

scorcher. I'd be shocked if she doesn't become one of your most popular models. I have a feeling that her tattoos are going to be controversial. But if you want my two cents, they didn't really bother me. I'd rather a girl didn't have them, but it's not a big deal. To me, she is even hotter than Ashley Sage (I'm sure some guy out there will think that's blasphemy, but I don't care!) And she has way more personality, too. These Brit girls that you find are amazing. I just wonder why they don't like to spread their pussies. I think it's 'cause they know they're hot enough to get away with it. And they're right. I have no problem beating my meat to Dors, spread pussy or not! I hope to see lots more of her soon.—P.G., via email

Ford Wants Black BBWs

Dear XL Girls,

Please feature more black XL Girls in kinky XXX shots, and get their shoes off so we get good photos of their soles and toes along with their voluptuous bodies. Please show some in nylons and some bare-legged girls. I like to see lots of XL Girls in the bedroom having hot sex and taking huge, black cocks orally, anally and in their pussies. Show lots of butts, legs, wrinkled soles and toes. I would also like to see girls giving foot jobs and their toes and soles getting creamed. And please, more black XL Girls. We are a huge group of fans at Ford Motors in Detroit. Thanks again.—Anonymous, Detroit, Michigan

XL Girls Is Still Here

Dear XL Girls,

I've been looking for new extra-large girls magazines, but have not found any. Is XL Girls still published? I don't have a blue-ray player, so I hope regular adult DVDs will be included in mag packs. Pornographic nude images have helped me through many lonely nights. I hope to see Samantha, Nicole Peters, Samantha Kay, Autumn Jade and Dani Ashe. They are among my favorite nude women with natural breasts. Kayla Kleevage and Maxi Mounds are my favorites with enhanced breasts. I like to see big breasts, nipples and big clits and vulvas.—M.B., McLeansville, North Carolina

Milk and Chocolate Go Great Together

Dear XL Girls,

I jacked myself senseless to the pictorial of Sadie Berry fucking that black cock. I don't think I've ever blown a load that big in my life. I am a white male but I like to see big, busty, white girls fucking black cocks. I would love to see interracial hardcore in every issue. Sadie was an excellent choice for this grade-A interracial hardcore scene—beautiful, blonde, blue-eyed woman who's built like a brick house. After seeing this layout I ordered *Big Girl Strip Club*, and I can't wait to watch her scene. I would also like to see more pictorials and videos of not just interracial hardcore, but interracial hardcore anal action. There needs to be more pink and pale tails taking big, hard, black cocks in your magazine. Interracial is my favorite, and anal is the hottest. Combine those two and you will have a winner on your hands. Please tell Sadie Berry that I love her, and seeing her fuck was the highlight of my whole month!—A.S., Grand Rapids, Michigan

Curvy Cougars Are All That

Dear XL Girls,

Veronika Kougar makes me so horny. A hot, mature, thick woman

like her surely knows how to pleasure a cock. And her sexual prowess aside, I find her very attractive as well. Ever since I was a young man of 18 I have always been attracted to big-boned older women with large breasts. While all my friends were out chasing skinny, young girls, I was lustng after my 40-plus, big-boobed professors with curves that went on forever. I've only had sex with a handful of women who were closer to my age, and I can honestly say that older women are better in bed. Especially when they're a bit larger in size.

Aside from the fact that I think Veronika is a stone-cold fox, I am also attracted to her because she reminds me of the woman I lost my virginity to (only Veronika has bigger tits.) This woman is the one who turned me on to mature plumpers. I should mention that I have also slept with skinny older women and I was not that turned on by it. I am very specifically horny for plump, mature women. In fact, if I could no longer have sex with older women for whatever reason, and I was only to have sex with women my own age, I'd want them all to be plump. Skinny is fine and all, just not for me.

The women who took my virginity really made a man out of me. We had something of a romance for a few months before she moved away. But it was the greatest time of my life. Veronika has the same sparkle in her eyes, and a very similar face to this

Veronika is a cougar with curves who knows how to please a man.

woman. Her pussy even resembles my virginity-taker's! (Yes, I still remember what her pussy looks like after all these years. How could I forget!) Just remember that mature, plump women are the best, and they are what I enjoy seeing the most in your magazine. Thank you for featuring the beautiful Veronika and sending me down memory lane.—N.N., Salt Lake City, Utah

The Beauty of Plus-Sized Women

Dear XL Girls,

As a new reader of your incredible mag (but a long-time reader of SCORE and Voluptuous) I would like to make a few comments on why we men find plus-size and BBW women so attractive, sexy and seductive.

Let me give two brief examples of why plus-size women stand out to men who admire big women. I was at the supermarket the other day, and I saw a woman. I'd say she was in her early twenties with an ass the size of the Rocky Mountains. Let me put it this way: her ass would have knocked Jupiter out of orbit if they collided. An ass this size obviously stands out and cannot be missed.

A few weeks later I saw another woman, I'd say in her mid-thirties,

Big, buxom blondes like Sadie Berry make the best candidates for interracial hardcore scenes. They can handle huge cocks and the contrast in skin color is hot!

Kandi Kobain has already been in a three-way, but reader D.C. from Mississippi wants to see her play with tits and pussy in a hot plumper girl-girl scene.

with a pair of tits the size of the Grand Canyon. Again, let me put it like this: these tits would have knocked over two dozen pins in a bowling lane. Her tits were literally taking up her entire chest. Now whenever I see a woman with such amazing assets I cannot help but ponder the reason why we men love plus-size gals so much. Bigger is better—period.

Large women have the entire package—the tits, the ass, the hips, the legs, etc. In bed, plus-size women are more to handle so we, as men, have more “toys” to play with. Thus, there is so much more sexual pleasure when sleeping with a BBW. Finally, whenever we spot a plus-size gal in public we know she will probably be fun, outgoing, sassy and so much easier to talk to than other women.

So keep up with the amazing job you've been doing of pleasing us with the beauty and sensuality of plus-size women. They make our world so much better!—J.J., via email

Sweet, Sweet Kandi

Dear XL Girls,

I love a big, juicy woman like Kandi Kobain. The more cushion for the pushin', the better! Thank you for the close-up photos of her pussy and her smooth asshole. I have a few suggestions for scenes that I would like to see Kandi in, if possible. First of all, I love

to see plump women in bikinis in the pool or ocean. Kandi would look great in a teeny, tiny two-piece with her big hooters floating on the water. If you could shoot her like that, I would be forever grateful. Second of all, I really liked her three-way scene in the DVD *Feed Her, Fuck Her*. However, I would like to see Kandi in a girl-girl layout. It's so rare to see XL girl-girl scenes, and it's a shame because I really enjoy them! And I would really enjoy seeing Kandi licking another busty babe's twat and getting into a sexy, lezzie 69. If there's anything that's hotter than one thick babe, it's two thick babes! And finally, I would just about jizz my pants if you showed Kandi as a strict teacher who was “disciplining” an unruly student. She'd be dressed in a tight pencil skirt, with glasses, her hair pinned back and a white, button-down shirt exposing her massive cleavage. Yes, I am hot for teacher! Especially if she's Kandi Kobain. Thank you!—D.C., Fayette, Mississippi

AN XL GIRLS VIDEO PICK

LARGE Lovin' 2

Big girls mean big orgasms for both you and her. The more of her there is, the more she can give, and the more you can enjoy. In this DVD, seven heavy, hardcore hotties use what they've got to make cocks cum. They've got pretty faces to catch your interest, big tits to make your balls tingle and fuck 'n' suck skills to make your cock hard. Sexy redhead Jade is an interior designer helping a client redecorate his home. She shows him her bra to give him an idea of the color he should paint his walls. But it gives him an idea for something else: sticking his cock between her tits and in her pussy, and painting her plush rack with his cum!

LARGE Lovin' 2

Cassie Blanca makes her hardcore return and talks dirty to you while showing you how she makes a cock hard. Fresh, young Lisa Canon makes her hardcore debut. Watch her get fucked on-camera for the first time ever! Brianna Falcone is one horny MILF with a healthy bush between her legs. She's overcome with passion as she gets fucked. You know her moans of pleasure are the real deal! Kendra Grace also returns, and this time she is going all the way in her first-ever anal scene. Too hot!

PORSCHE DALI

you how much of a freak she can be when she gets her hands on a hard cock. We'd recommend watching her scene when you know you're home alone, because this girl is a screamer! And you'll want lots of alone time to fully enjoy her expert fuck skills. Kandi Kobain is another big hottie with an insatiable appetite for sex. In her scene, Kandi says that she's very good at titty-fucking, then proceeds to show us just how good she is at that and at milking balls with her twat.

Reader W.B. would like to see Angel sinning in every issue!

more often. I think she is one of your most attractive models. I like her tattoos, too. Nothing turns me on more than a hot, plump goth chick with some ink on her. While I was looking at her pictorial I pretended that the big dildo in her pussy was my cock, and she was cumming and creaming all over it. The picture of her on all fours really turned me on, too. It made me want to take her doggie-style so bad. Has Angel been in any DVDs? If not, you should really get her in some, even if she only does solo. Even if I couldn't see her fuck a cock, I'd be perfectly content watching her fuck herself with a dildo in video. So please keep the excellent jack material of Angel coming!—W.B., Miami, Florida

Dear W.B.,

Unfortunately, Angel has not been featured in any of our DVDs. But you can watch videos of her masturbating by joining XLGirls.com.

Tipping the Scale

Dear XL Girls,

The Pound for Pound feature in the May '11 issue (SP209) was arguably one of the best things in that issue.

ASHLEY SAGE
ELLISON

Renee loves getting cream on her tits.

You've seen Renee fuck, now see her eat! She loves to feed her curves with treats like ice cream and chocolate, so we photographed her having fun with one of her favorite desserts—a sundae. "It's funny, my tits are so big that I can use them like a plate. I don't mind that it's messy. It's even more fun when there's a guy with me to lick it off," she said. "But if I had to pick between ice cream on my tits or a guy's cream—I'd pick the guy's cream."

"I can't stand it when girls act all grossed out by cum. I love it!"

Some of Renee's redeemable qualities are that she's down to earth and a little dirty (in a good way). She thinks getting sticky from food is fun, and getting sticky from cum is even more fun. "Some girls are all prissy about cum. They act like it's so gross and they don't want it to touch them at all. I'm the opposite of that. I love big loads. And I love getting my tits cummed on. If I know I'm going to fuck a guy, I'll ask him not to jack off for like a day or two so I can get the biggest load possible from him."

What is it about food and sex that turns people on?

We posed this question to Renee, because while we feel we have an idea why, it's still a bit of a mystery to us.

"Well, guys like to see a girl with anything phallic for obvious reasons. And by the way, I can pretty much swallow a banana whole. I used to do that during lunch in high school, and guys really started to notice me. But as for the rest of it, I think it's a little something extra to make things fun. My tits are nice as they are, but put some cherries and whipped cream on them and you have dessert!"

Anna Kay & Juan Largo

The beautiful Anna Kay could have been a mainstream plus-size model if she wanted to, but she'd rather fuck. "Lots of men have told me that I could be a model. But I wasn't interested in fashion modeling," she said. "The idea of getting naked in front of a camera was a lot more interesting to me. So I tried it, and I enjoy doing it. I just feel natural fucking in front of a camera."

Anna's "a-ha" moment came the first time she had an orgasm from fucking while shooting a scene. "I came harder than I ever came before. And knowing that all these guys were going to see it turned me on a lot. I actually have the DVD that the scene is in, and I'll watch it every now and then. After that happened I was like, 'Wow. This is awesome. Where do I sign up?'" If you watch Anna's scenes, you can tell she loves riding cock for you. She whispers dirty nothings and moans while taking the kind of pounding that might break a lesser woman in half.

As hot as she is, Anna says she doesn't get approached by men often. "I guess they're intimidated by my height and my boobs and my body." But just because they're not approaching her doesn't mean they're not thinking of her! "I do catch a lot of guys looking at my tits. Then they try to look away fast to play it off. I don't usually approach men or anything, but every now and then if I'm in the right mood and the guy checking me out is cute, I'll give him my number and tell him if he wants he can see what they look like naked."

XL
DEBUT

**Meet our
newest
hottie,
Vicki
Black!**

She's young (only 20 years old) and deliciously curvy with a set of DDD tits, a soft belly and a 45-inch ass. And her personality is just as sweet as her body. Vicki is the cute plumper-next-door. "I am such a giggly person, and if a guy can put a smile on my face I want to put one on his," she said. "I know it's cliche, but the kind of dates I like are going to the movies, hanging out at Starbucks, or just chilling at his place."

She knows she's a juicy tenderoni.

Just because Vicki is a sweet girl doesn't mean she can't be naughty, too. "I like to wear sexy, tight clothes that show off my figure. I like to show off my boobs and butt. Guys will check me out a lot, but girls even tell me that they love my cleavage. It makes me feel sexy." And speaking of girls, Vicki is interested in "going all the way" with one lucky lady.

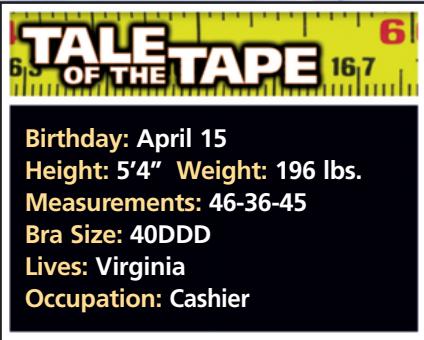

Vicki decided to shoot with us to make her fantasies come true.

"I've always wanted to pose nude, I just didn't know if there was a market for women built like me. But I'm really glad I found out about XL." Vicki isn't sure whether she'll be doing hardcore videos yet, but if she does decide to take the XXX plunge, Vicki says she'd like to go all out and have two guys at once. "That's another one of my fantasies, to have one guy doing me doggie-style while I blow the other one. Then they flip me around so I can taste myself on the other guy's dick."

XL INTERVIEW

LISACANON

THIS YOUNG CUTIE'S LIFE
REVOLVES AROUND SEX!

"I LIKE THEM TO PAY EXTRA ATTENTION TO MY NIPPLES."

XL Girls: Hey, Lisa. Welcome to the *XL Girls* studio. This is your first time modeling, correct?

Lisa: Yes, it is.

XL Girls: So you've never been on film or taken photos or anything?

Lisa: No, never.

XL Girls: How do you feel about it?

Lisa: I'm nervous. It's exciting, but it's nerve-wracking at the same time.

XL Girls: Okay, well we'll do our best to make you comfortable. Now, you look pretty young. How old are you?

Lisa: I'm 20 years old.

XL Girls: Wow, so you are fresh meat in every sense of the word, or phrase, rather. So how did you end up here?

Lisa: I was looking at one of your magazines and saw that you needed models, so I called and the next day I got everything going.

XL Girls: And how did you end up coming across one of the magazines?

Lisa: Actually one of my relatives has

a couple, and I was looking at them.

XL Girls: Okay, cool. So you obviously have big boobs. What's your bra size?

Lisa: I think it's a EEE.

XL Girls: That's pretty big.

Lisa: Yes, it is pretty big. And I'm 100 percent natural.

XL Girls: Have you ever weighed one of your boobs?

Lisa: I actually had my husband weigh them with his hand, 'cause he's really good with weights. And he was like, "They're really big. They're more than 10 pounds." I was like, "You've got to be kidding me." So I don't know how much they really weigh.

XL Girls: You just know that your boobs are heavy.

Lisa: Yes, they're heavy heavy.

XL Girls: Were they always big?

Lisa: Yes. I started growing at a really young age and then they sky-rocketed from there.

XL Girls: Are they sensitive?

Lisa: No, not really.

XL Girls: Do you like to have them played with?

Lisa: Yes, I do.

XL Girls: What do you like a guy to do to your boobs?

Lisa: I like them to pay extra attention to my nipples, and I like to have them pulled on, sucked on, licked.

XL Girls: So is it okay if he's a little bit rough with them?

Lisa: Yes.

XL Girls: That's the benefit of not being sensitive. So you don't mind a little rough-housing?

Lisa: No, not at all.

XL Girls: Do you like your big boobs?

Lisa: Yes, but then again no because of the back problems. But I like the attention I get when I wear low-cut tops.

XL Girls: And you get a lot of attention when you go out?

Lisa: Yes, people staring and making comments and trying to talk to me.

XL Girls: Do girls come up to you and ask you about your boobs?

Lisa: Yes, a couple of times they've come up to me and asked, "How big are your boobs? Are they real?" Of course they're real.

XL Girls: Is that a question you get a lot? Are your boobs real?

Lisa: Yes, even through middle school. 'Cause like I said, I started growing at a really young age. People were like, "Did you get your boobs done?" And it's like, no. Ya'll need to stop asking me 'cause I'm like, 12, 13.

XL Girls: Have your boobs ever accidentally fallen out?

Lisa: Yeah, a couple of times. It's been really embarrassing. Once, I think was at school. And the other time was at a job interview, and that was not very good.

XL Girls: What happened at the job interview?

Lisa: This was when I was really young. I dropped out of school so I needed to go get a job. So I thought maybe if I wore something low-cut he would give me a job, but it didn't work. He was like, "Ma'am...your boob." And I was like, "Oh, I'm so sorry!" And I tucked it back in. That was not supposed to happen. I didn't get the job, though.

XL Girls: What's wrong with that guy?

Lisa: I know, right!

XL Girls: What were you wearing?

Lisa: I was wearing jeans and boots and then I had a white button-up shirt. I'd left it unbuttoned a little in the front. I was trying to look professional and responsible but still trying to have a little sexy vibe with it, and it back-fired.

XL Girls: And where was this?

Lisa: It was in North Carolina.

XL Girls: That's where you're from, right? What do you like to do for fun out there?

Lisa: I like to hang out with my husband and my little brothers. We like to play football. We try to go camping, but now it's gotten too cold to go camping. We like to go swimming in the creeks and have fun outside.

XL Girls: So you do a lot of outdoorsy stuff?

Lisa: Yes. I try to go outdoors 'cause I don't want to be stuck in the house all the time, even though there's no civilization around. I just try to have fun.

XL Girls: On the model questionnaire you wrote that you like boobs and feet. Can you elaborate on that a little?

Lisa: I am bisexual and I love boobs. If a girl has little boobs then it's not going to work. I have big boobs and I love my boobs. If I'm going to be with her I would like her to have some kind of boobage going on. And feet—not all kinds of feet. Just really pretty feet. If they're done right and have nice polish. But if they're nasty, stinky feet, then no, get them away from me!

XL Girls: Is it women's feet that you like? Do you like men's feet?

Lisa: Mostly women's. I love my husband's feet because I keep them pedicured. And I love girl's feet as long as they look perfect, and there's no rough skin and they're soft and nice.

XL Girls: Do you like when someone pays attention to your feet?

Lisa: Yes. I love massages, I love having my toes sucked. Even having my feet tickled—I like it.

XL Girls: You also said you like threesomes.

Lisa: Yes, I do.

XL Girls: I take it you've been in a threesome before?

Lisa: A couple of them, yes.

XL Girls: So how was it?

Lisa: My first time was really awkward. But I still liked it because I knew around the time I was 15 or 16 that I liked girls. But I don't love girls enough to leave guys alone, you know? I like guys, I like dick. It was interesting, the first time. And then I

"I THOUGHT MAYBE IF I WORE SOMETHING LOW-CUT HE WOULD GIVE ME A JOB."

started to fall in love with it. It's a really fun thing.

XL Girls: How does it go down when you have a three-way?

Lisa: I try to get the girl comfortable to the situation, 'cause I always did it with my significant others in the past. I wouldn't do it just randomly. So I try to get her used to the situation. If she's not comfortable with it then of course we won't do it. But I try to get her warmed up to it, kiss her neck. And if she goes for it everything explodes and it's awesome.

XL Girls: Sounds like fun. Now, you mentioned something about a time that you had sex in a car with people nearby...

Lisa: Yes, actually that started because I was giving my significant other a blow job in the car. And they were by the pool, not even 10 feet away from us. It was close to dark, but they could still see us 'cause we had the light on. And then we ended up having sex.

"MY FAVORITE POSITION IS DOGGIE-STYLE."

XL Girls: Did anyone see?

Lisa: Yes, because when we got out everyone started clapping and yelling at us. They were mostly his friends. And I was like, "Oh my god, I forgot ya'll guys were out here."

XL Girls: So you didn't even notice?

Lisa: No, I was preoccupied. [Laughs]

XL Girls: And all that was a positive reaction, I take it?

Lisa: Yes, it was.

XL Girls: Do you like to be watched?

Lisa: I guess you could say that. I've thought about someone watching me have sex a couple of times, and it is a turn-on. But besides that one time I've never really had someone else watching. That one time was an accident 'cause I didn't know they were out there.

XL Girls: You also said that you like to have your significant other watch you masturbate.

Lisa: Yes, I like that a lot.

XL Girls: What do you do for him?

Lisa: Usually he'll sit there, and I'll be like, "Babe, I want you to watch something." And I'll take off my pants and start playing with myself. He'll watch, and he might help every now and then. Then I'm like, "No, I want you to watch! This is for you!" And he'll watch, and I'll use toys.

XL Girls: Does it ever lead to sex?

Lisa: Always.

XL Girls: So it's like foreplay.

Lisa: Yes. Well, it's my kind of foreplay. I like to get him really aroused before anything goes down.

XL Girls: Okay, so you said you like girls with big boobs. Is there anything else you like in women?

Lisa: Not really. Big boobs are a plus. If they're not really big that's okay. But personality-wise they have to have a really awesome personality. I really don't care about looks, it's just the boobs that I like. And the personality, of course. [Laughs]

XL Girls: What kind of guys do you like?

Lisa: Any kind. One that can catch my attention with humor. They have to have really pretty eyes. And they have to be somebody that I can click with. If I can't click with a person there's no point in wasting my time. Even if they do like me, if I don't feel the connection it's not gonna happen.

XL Girls: Yeah, there has to be chemistry. So, what turns you on about men? You mentioned that you like to watch your husband work on his car...

Lisa: Yes, I love that. Him being a man, working on his car, or playing football. Him without his shirt on, him just being a man, working on things, doing yardwork. Anything that gets him hot and sweaty—I love it. As long as he's being manly.

XL Girls: You also mentioned that you're a fan

of oral, and that you like to receive.

Lisa: Yes, I sure am.

XL Girls: That's actually refreshing to hear because a lot of models tell us they don't like it. So I get happy when I hear they do. Do you like to give oral also?

Lisa: Yeah, I do.

XL Girls: But your preference is to receive it?

Lisa: My preference is to receive it, but if they're going to do it why not return the favor?

XL Girls: How do you feel about 69?

Lisa: I like it a lot.

XL Girls: When you do 69 are you usually on top or do you do the sideways thing?

Lisa: It doesn't matter as long as we're both doing it!

XL Girls: What's your favorite position.

Lisa: My favorite position is doggie-style. I love it. And there's another one that we tried the other day. I was standing up and he got behind me.

XL Girls: So it was like standing doggie-style?

Lisa: Yeah, kind of like standing doggie, but I wasn't bent over all the way. I was bent over just enough for him to do his thing. It was fun.

XL Girls: Do you get loud?

Lisa: I can. It just depends on the mood and how hard he's penetrating me.

XL Girls: Do you like having hard sex?

Lisa: Yes, I love having rough sex. But like any girl I like the sensual, soft, kiss-me, love-me type of sex. But then there's times when you're just like, "Fuck me!"

XL Girls: So you like to switch it up.

Lisa: Yes.

XL Girls: If we asked your friends to describe you, what do you think they would say?

Lisa: I'm crazy. I'm bubbly. I like to have fun. I'm the first one to do anything crazy, whatever it is.

XL Girls: You're outgoing.

Lisa: Yes, I'm very outgoing.

XL Girls: Has anyone ever caught you having sex?

Lisa: A couple of times, yes.

XL Girls: Tell us a little bit about that.

Lisa: Oh lord! Wow. My mom actually caught me having sex one time. It was not that good. It was in the middle of the living room.

XL Girls: Was she pissed?

Lisa: She just looked at me, and I looked up, and I was like, "Oh shit!"

XL Girls: What were you doing when she caught you?

Lisa: I was riding the guy, and she just looked at me turned around and walked off. The next day she was like, "You don't need to be doing that in my living room!" And I was like, "I'm sorry. I thought you were sleeping."

XL Girls: You woke her up.

Lisa: I might have. And then I got caught at work. One of my boyfriends came up to visit me and yeah...

XL Girls: Where were you working?

Lisa: I was working at a grocery store. We were in the bathroom, and the guy who cleans the bathroom came in and saw me in there. I was bent over the counter. So he walked in and then called the manager. I was like, "You've got to be kidding me!"

XL Girls: He snitched? That's terrible.

Lisa: Yes, he snitched on me.

XL Girls: Did you work with your boyfriend when this happened?

Lisa: No, he came to visit me on my lunch break. He asked me if I wanted to go have some fun. Sure, why not? I didn't think I would get caught. I only had like, 10 minutes left on my break. I told him we could have a quickie real fast. And of course, we were almost done and the guy who cleans the bathroom had to come in.

XL Girls: Was that a private bathroom or were there multiple stalls?

Lisa: It was the female bathroom. There were three stalls but nobody

else was in there.

XL Girls: Do you like outdoor sex?

Lisa: Yeah, I've done it a few times.

XL Girls: Like on a camping trip?

Lisa: Yeah. I've done that once, and I've had sex on the hood of a car behind an abandoned building. I like outdoor sex. It's fun. I think what it is; why I have sex in public is because if someone catches me it brings up the risk factor. It's more intriguing.

XL Girls: And you have been caught!

Lisa: Yes, yes I have.

XL Girls: How did you feel after the janitor caught you?

Lisa: When my boss talked to me I was so embarrassed. I was like, "Oh my God, you know?" And he was like, "Yeah, and I have to fire you for it since he caught you." I was pretty bummed because I lost my job, but I can always bounce back.

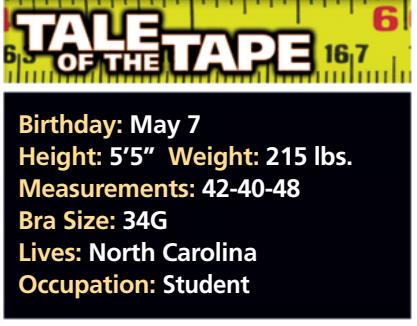

XL Girls: So do big boobs run in your family? Are you all stacked?

Lisa: Just my mom has them. Everybody else has like C-cups or way smaller. It's weird because my mom

PARTY & PLAY ON WORLD FAMOUS SOUTH BEACH

The SCORE Studio is located in one of the most glamorous vacation locations in the world, within miles of Miami's gorgeous beaches and thrilling South Beach nightlife.

Taylor is smiling 'cause she loves showing her tits.
This cute Canuck knows she has an awesome rack, and she's very much a believer of the "if you've got it, flaunt it" philosophy. "I love modeling because I love showing off my boobs," she said. "I always knew that my tits would take me places!" And she was right. This photoset was shot on Grand Bahama Island, far away from her cold home in Toronto!

"My nerves almost got the best of me!"

In these photos, Taylor looks happy, care-free and comfortable. But before she had ever taken her clothes off for our cameras, she admits to almost backing out due to anxiety. "Before I ever got into nude modeling I had this idea that it was scary and shady. On the first day I was supposed to shoot I almost cancelled because I was so nervous. But I bit the bullet and went through with it, and it wasn't bad at all. In fact, it was one of the best experiences of my life."

Posing for us makes your sex life better!

We're always curious to know how models' lives change after being featured in a magazine and in videos. Taylor told us that things have been getting better and better for her. "I was never a prude or anything like that, but since I've done all this modeling I can see a change in myself. I'm definitely more open and spontaneous when it comes to sex. Any self-consciousness that I felt before is totally gone. I'll bend over and show someone my ass-hole no problem! My orgasms are better. My tit-jobs have improved. It's just total horniness all the time."

What does one Taylor and three cocks equal? Lots and lots of cum!

If you remember Taylor's debut from the Dec. '10 issue, there were still many things she wanted to experience. Taylor was happy to inform us that she finally had that orgy. "It was the hottest thing ever. I was the only girl and there were three guys. At first I was like, 'How am I gonna handle all these cocks?' But once we got the ball rolling everything just came naturally. I jerked two of them off while one guy ate me out. And whenever one of the guys couldn't participate, he'd jerk off while watching, and that was a big turn-on. Honestly, I don't think I've seen so much cum in my life!"

has DD boobs, and I have bigger boobs than her.

XL Girls: Is it hard for you to find bras?

Lisa: It is. I have to order them online, and if it doesn't fit right then I'm stuck with it, and nobody else can wear it. It's hard, but I make it work if it's too small. If I'm just hanging out around the house I'll wear a sports bra over it. And if I go out I'll just try to keep my boobs tucked in, and make it so they're not falling out of my bra.

XL Girls: Do you ever not wear a bra?

Lisa: Only when I'm sleeping. Otherwise I'm usually wearing a bra. I have to, or I might knock somebody's eye out, or my eye out!

XL Girls: Do you notice that it's hard to find pretty bras in larger sizes?

Lisa: Yes, most bras in larger sizes are white or black or beige. If I want a lacy bra like this one [points to her bra] I have to buy a smaller one and my boobs hang out of it.

XL Girls: Yeah, your boobs are kind of engulging that bra.

Lisa: They are! But it's cute. And you know, it's usually only on for like five to 10 minutes anyway.

XL Girls: Would you consider yourself to be kinky or freaky?

Lisa: I like to be tied up. I can be kinky. It depends on my mood, and how kinky I want to get that day, and how rough I want it.

XL Girls: How do you feel about butt-play? Like it? Hate it?

Lisa: I'm not a big fan of it, but I could get used to it. I've just done it once or twice. At first I was like, "That's gross, don't do it again." Then I did it again, so I guess I'm getting used to it. It's going to take time. I just like it in my cooch for right now.

XL Girls: Would you ever be in a threesome with two men?

Lisa: I have. I like a threesome with a girl and a guy more though.

XL Girls: Okay, and has a guy ever cum from you titty-fucking him?

Lisa: Yes. I try to get the cum to land from my mouth down, but if it gets on my face that's okay. I can't control where it's going to go.

XL Girls: And on that note, that's all we have for you today. Thanks so much for the interview.

Lisa: Thank you!

**XL
DEBUT**

Silvie is a horny Czech housewife who gets off on posing naked.

Silvie got married at a young age and never got much of a chance to sow her wild oats and experiment. But after being married for years, she's ready for something new. "I wanted to try modeling because I have never done anything like this before," she told our photographer. "I don't want to have sex with other people, at least not now. But I do want to share my body through photos. I want other people to appreciate it."

Her husband likes Silvie being an exhibitionist.

"When I first got the idea to pose nude, I was afraid to tell my husband about it," Silvie said. (She speaks English.) "I did not know how he would react. But I wanted to do it so bad I couldn't keep it in any longer. But he was happy to hear about it! He said he would like to see my naked pictures, and he would like it if other people saw them, too. We are both turned on by others seeing me naked."

"Now I am proud of my body!"

Modeling has been a great way for Silvie to realize how sexy she really is, and in turn that's made her sex life even better. "I didn't know that having big breasts was a good thing. I thought they just got in the way. But now I am getting letters from men saying they love my chest. I've been telling my husband to play with my breasts more often, and I use them to squeeze his penis. We both really like it!"

Swinging is turning into an option.

Naturally, we wanted to know if Silvie would be open to fucking other people now that she's modeling. "When I first got married, I would have said, 'No, never.' But I am getting over the jealousy, and I am thinking about it more and more. I would be open to having sex with another man, and I think I would be okay with my husband having sex with another woman. I think he feels the same way. But that is a big step, so we are taking things slow for now."

It's time for full moons to shine! We all love big tits here, but we can't forget about equally delicious asses. Naturally, XL models have XL asses. And here we are featuring the biggest, plumpest butts we've had on our pages. Dawn Davenport has a notorious pale caboose. Trish Bailey has the kind of starfish that you just want to lick and finger and maybe even fuck, too! Crystal Clear is showing off her undeniably plush cheeks—the kind that are perfect for slapping when she's bent over and taking it doggie-style. And Miss Isabelle has a tush that's perfect for any big-phat-ass lover.

Watch these big asses in action in our hardcore DVDs! Seeing these plump asses on our pages is nice, but it's even more fun to see the shock waves ride through them as they bounce up and down on cocks. Check out *Brickhouse Brawds* and *Piggies for Porkin'* to see Lady Snow's bubble butt. Peaches La Rue and her incredibly huge ass have been in *Big Girl Sex School*, *Wide Load Nymphos* and *Feed Her, Fuck Her 3*. Reyna Mae was in *Big Girl Boob Bang*, *Triple X Tit Sex* and *K-Jugs*. And if you'd like to see footage of Angel Sin's caboose in solo action, log on to XLGirls.com. Sadly, we don't have any video of Angellyn. You can order most of these DVDs on page 9, and the rest online at eboobstore.com.

"I love it when a guy licks my asshole. It feels so good!" That's a quote from Kandi Kobain. Czech plumper Tereza is also a fan of salad-tossing. The way she spreads her cheeks here is the same way she spreads them for her lovers when they're about to dive in tongue-first. "I've heard my ass called a ba-donk-a-donk," said Analee. If you don't know, that means a really big ass. The term suits Analee, considering that her ass is so big it barely fits in her pants!

There's nothing better than seeing a big ass get fucked! Not very many of our models do anal, so it's always special when one comes along who does. Twilight Star gets a hot beef injection in her booty in the movie *Wide Load Nymphos 2*. Kendra Grace does the same in *Large Lovin' 2*. In fact, that was her first time ever taking a cock in her ass. "It was so intense, unlike anything else I've ever felt before," she said. Glory Foxxx has lots of junk in her trunk, but a cock hasn't been up in there in front of our cameras...yet. "I've done anal in my personal life," Glory said. "One day I might do anal for the cameras." We'll be waiting for that! (Order movies on page 9.)

Don't get me wrong, the girls were great. But seeing all my old favorites like Susie Wilden, Carol Brown, Sapphire and so on was a real treat. I think the models who had the biggest transformation from small to large were Susie Wilden and Carol Brown. Carol's tits are so much bigger now! I loved all these ladies when I first saw them at their smaller sizes, but if you ask me, they all look better with more meat on their bones. You should do features like this more often, as I'm sure there are many models who've grown bigger and better over the years, like Kerry Marie (one of my all-time favorites.)

Carol is judging how much heavier her boobs are now.

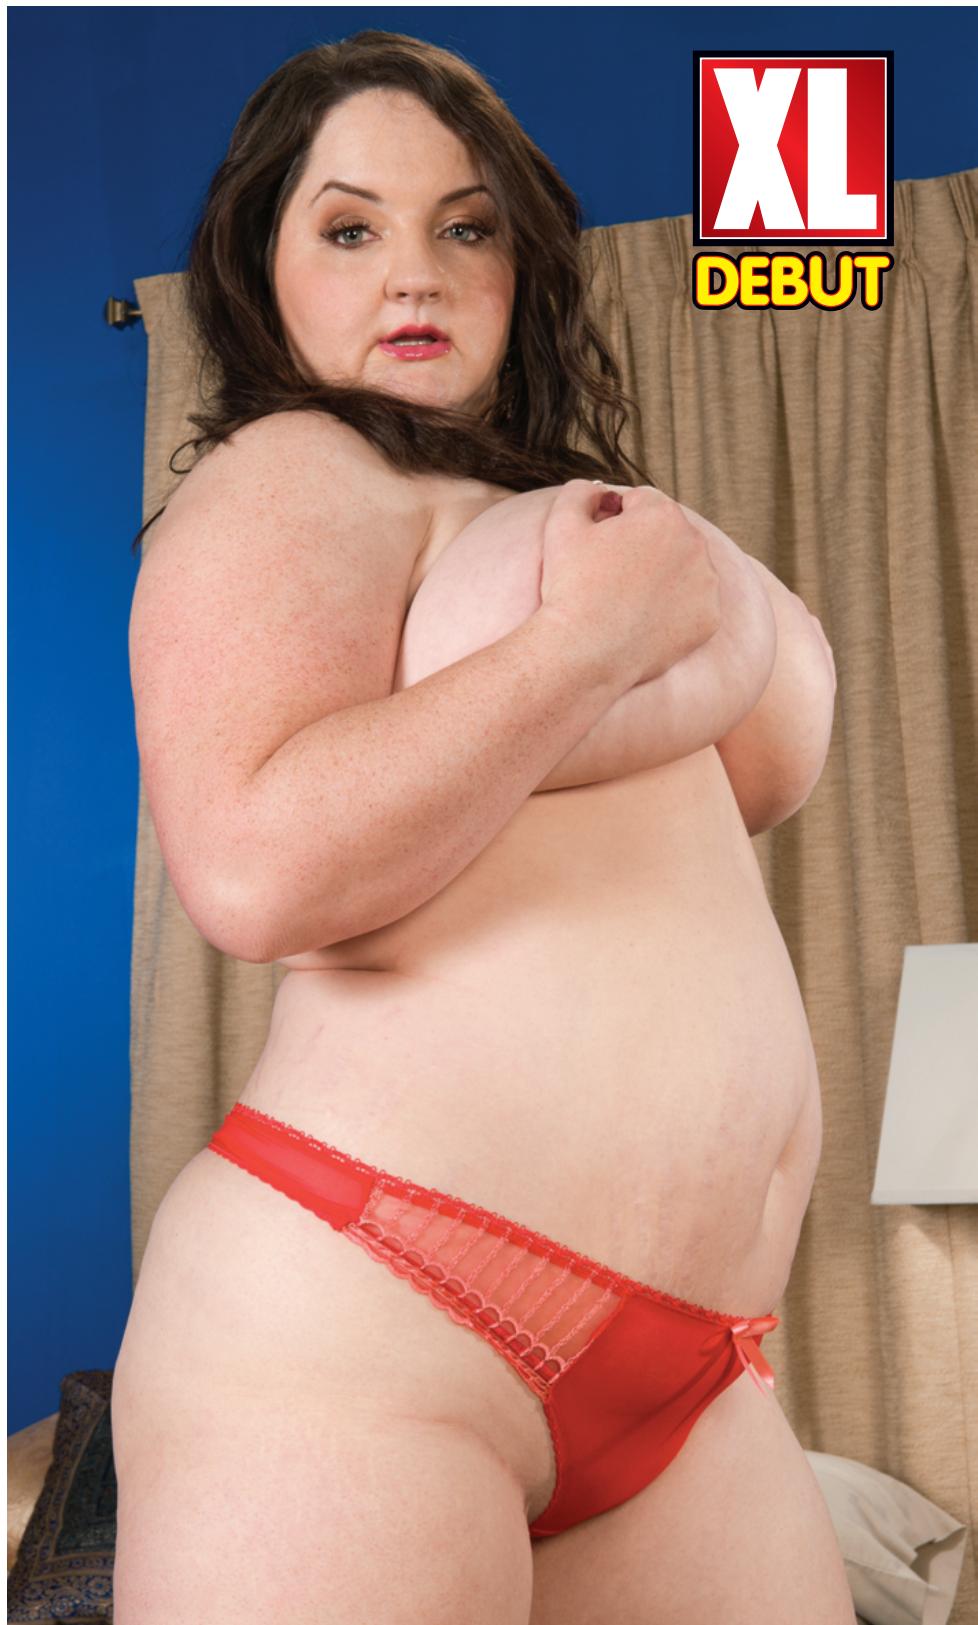

I wonder which *Voluptuous* models will eventually make their way into XL with bigger, sexier bodies and bigger tits. It's always a pleasant surprise when a model is gone for a while and then comes back heavier. Ain't nothin' wrong with that!—J.T., via email

Danica's just a nice Southern girl from Texas.

Ask her to describe herself and Danica will tell you that she's a simple girl who likes simple things: "I like to cook. I like to spend time with my family. I like reading. It doesn't take much to please me. Just be nice!" But there's another side to this simple girl, a side that likes to indulge in naughty things. "I like to put on sexy lingerie. And not too long ago I started modeling on the internet. I liked it way more than I expected to, and now here I am."

**We think
Danica has a

at XL Girls.**

When you look at Danica, your eyes don't know where to go first. Those piercing green eyes and dark hair, her huge tits and pink nipples, her round ass or her sexy, curvaceous body. She's so hot that she deserves the once over twice. But there's no need to steal glances here. Danica won't be leaving our pages, so take your time dissecting her amazing body with your eyes.

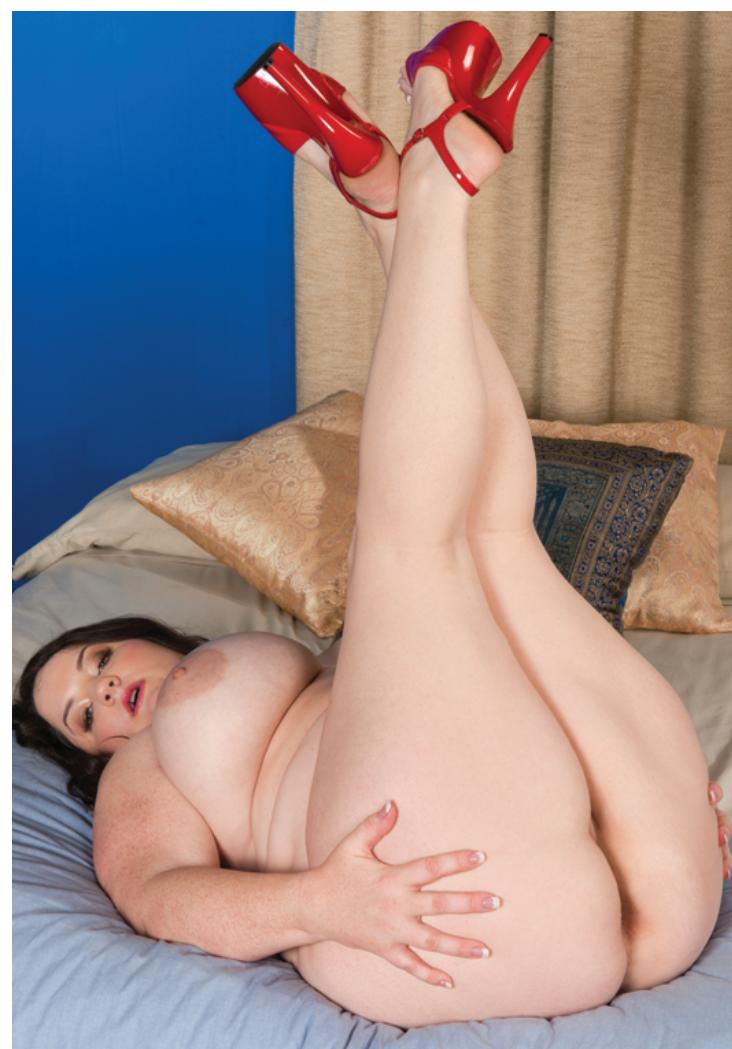

She has a pretty pussy, but you won't hear that from her mouth.

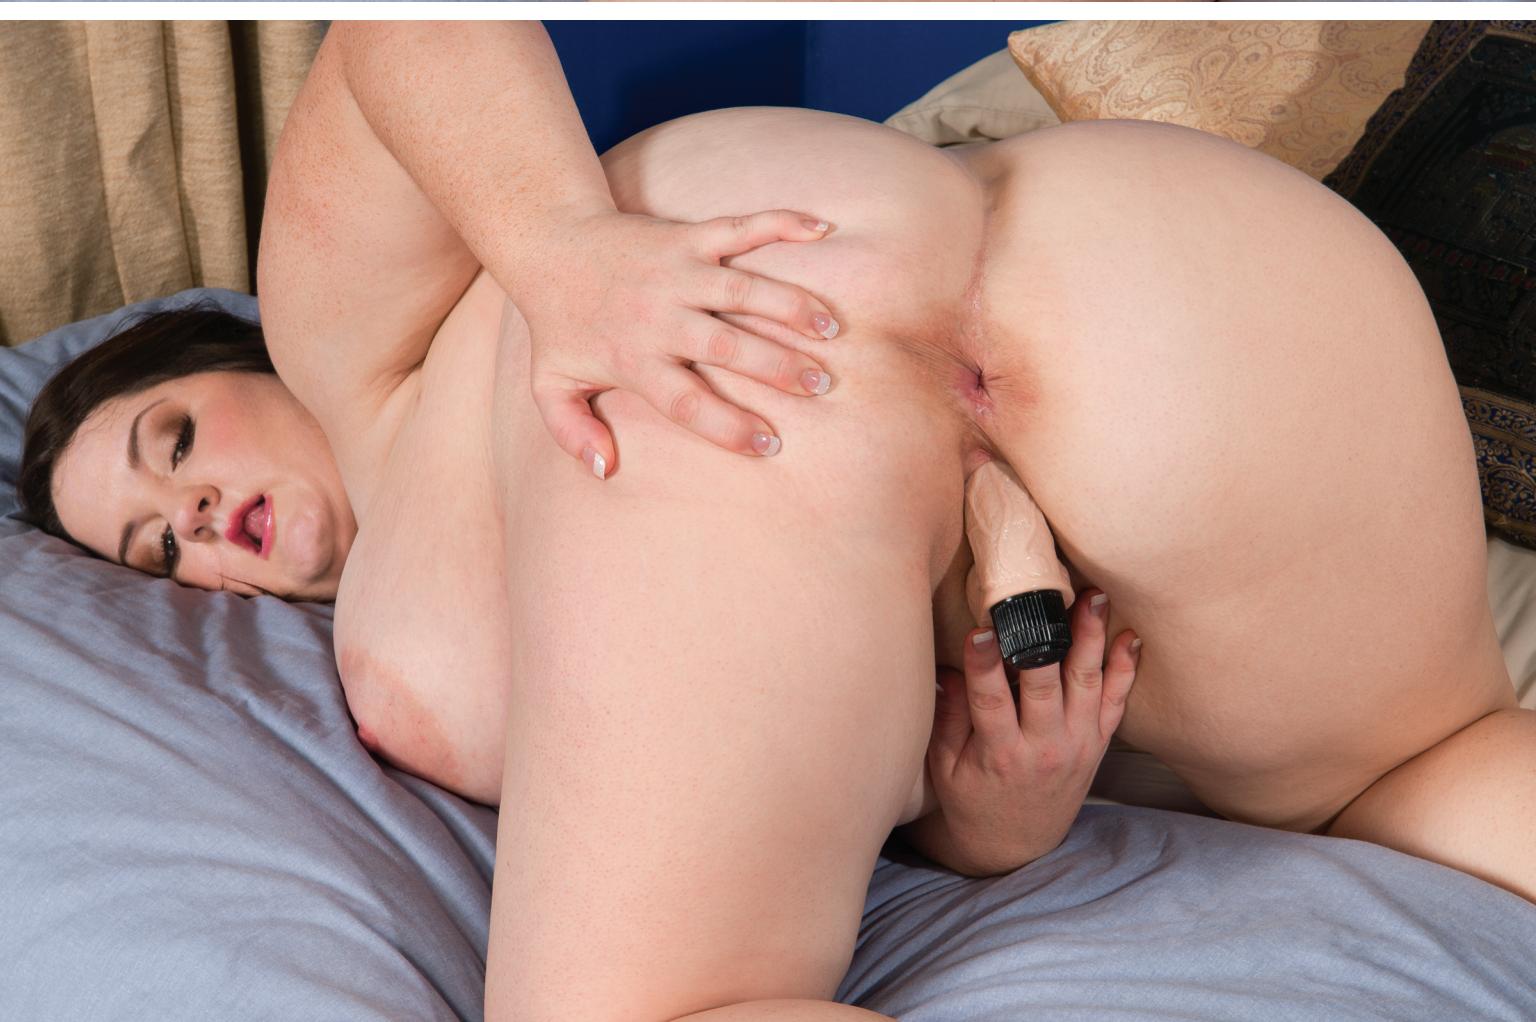

"It's nice. I've been told that it's pretty and tastes good. My...you know," Danica said. We found it kind of funny that she gets naked no problem, but has trouble saying the word pussy. "I don't really curse unless I'm angry. I don't know...I just feel weird saying it!" Hey, that's okay. Danica doesn't need to say it. We're perfectly happy with just seeing her pussy!

of them in your magazines with Tatiana Blair and others. I love seeing a short woman with huge tits. It makes their huge tits look even bigger. And Daniella's tits look pretty big, especially on her frame. She kind of reminds me of a busty girl-next-door who looks sweet on the outside but gets really freaky in the bedroom. Her body is almost exactly like my ex-wife's, but hopefully her personality isn't! If she is as nice and down-to-earth as she sounds in her pictorial I'm sure that's not the case. From what I can tell, Daniella's got it all. I'd love to feel up on her curves and then give her the pounding of her life. Please, tell her I said, "Hi," and that she has a fan in North Carolina!—K.S., Asheville, North Carolina

The Hungarian Hornball

Dear XL Girls,

Wonder Tracy is one of my favorite XL models. She was definitely the right girl to open up the Super

Plumpers special in the March '11 (SP207) issue. I know it's been a while, but any chance we'll see her again? I always loved her attitude and overwhelming horniness. In her videos you could tell that she really enjoys fucking. Her pretty face and Hungarian accent always turned me on, too. It's rare to find a girl who's as cock-hungry as miss Wonder Tracy is.—H.V., Sacramento, California

Dear H.V.,

The last time we shot Wonder Tracy was for her guest appearance in My Big Plump Wedding. Unfortunately she did not do any solo or hardcore footage at the time. But here is a candid photo of her on set. We hope you enjoy it.

Charlie's Charm

Dear XL Girls,

I think I'm in love with Charlie Cooper. I emailed you last month to rave about her bikini pictorial in March '11 (SP207), but her latest photos in May '11 (SP209), including her awesome cover shot, have literally stolen the breath from my body. To take nothing away from any of your

other models (they are all gorgeous to me), Charlie is stratospherically beautiful, with a body that I would kiss from head to toe, and then kiss again in case I missed any bits the first time! She is XL perfection and—in case you haven't guessed—my new favorite Score Group model; a position I can

see her occupying for some considerable time. I don't usually purchase solo-girl DVDs, but in her case, were you to produce one, I'd most definitely make an exception. I have her XXX movie *Big Girl Strip Club*, but haven't watched it yet. I'm psyching myself up for the spectacle of seeing her get done over by some porn goon. My infatuation with her is such that I don't think I can face it just yet.

Charlie is so sweet that reader K.S. is hesitant to watch her in XXX.

Please, please, please—more Charlie. And soon. Oh, and given the nature of her job, would it be okay to ask her to pose as a nurse (the naught kind, obviously)? It may be that she'll refuse, but a guy can dream can't he? At the very lease, I'd love to see her in seamed stockings and glossy heels. Please pass on my words of admiration to Charlie. She's out of this world.—K.S., United Kingdom

Dear K.S.

Charlie actually has a solo scene in the movie *Full Figured Foxes*. You can order it on page 9.

Dear XL Girls,

I haven't written many letters to you, but I thought I'd give you a piece of my mind. No, I don't mean like that, just several thoughts and comments. Well, for starters, the Dec. '10

They're stacked and thick and draining stiff dicks!

Cum along with these six stacked V-mag vixens as they siphon as much sponge from stiff cocks as they can. Renee Ross rides and slides all over a big one and then takes a load on her rack. Curvy newcomer, Analee Sands shows off her bellydancing skills before she shows off her XXX skills. Dominican mamacita Vanessa Del Mar gets her caramel slit and tits coated. Sadie Berry gets fucked in sexy lingerie and Charlie Cooper takes a big-girl pounding! Plus, Southern cutie Anna Kay works the bone like a pro!

You know, the only thing Ashley has to show me is...guess what? Yup, there you go—her coochie. I don't mean just the front view of her crotch area. I mean sitting on her backside with her legs spread! No she doesn't have to spread her labia. She can spread in a classy manner. Just spread your legs, Ashley! That's all!

Arianna has grown a bit, and she loves her new curves. Readers do, too!

Why is that so hard for these girls to do? We're not asking for them to do hardcore, at least I'm not. These Brit models think they're holier than thou. Karla James is the same way. How long are they going to get away with posing in explicit magazines without having to show pussy, huh? I don't need to say any more about her boobs, body and pretty face. I'll just sound like a broken record.

Another fantasy girl of mine is Taylor Steele. She was also featured in her first XL pictorial, which was by the seashore. She told us her innermost fantasies. Taylor shares her fantasies with a sparkling smile. You just get the feeling that Taylor is an adventurous person and very outgoing. She gives off the feeling that she's free spirit. The girl is having fun, that's for sure. I could go on and on about her

effervescent personality, but look at those luscious G-cup naturals! Those suckable tear-drop-shaped breasts of hers. And that smooth-looking pussy of hers looks very nice to lick indeed. She was a bit classier this time in showing it, not spreading her lips as vigorously as she normally does. Very nice pictorial of her.

Some thought Taylor would be the first to do hardcore between her Arianna Sinn, Jenna Valentine and Karla James. But that's not so. It was Arianna Sinn, and speaking of the sinful one, she had a nice spread in the tropics. The now-hardcore glamour doll was very erotic with those penetrating eyes of hers, those suckable G-cups topped off with those very cute pink nips of hers. She displays some of the most sensual and sexual facial expressions, too. Now I've got some peculiar questions about her. How come she looked so big in that spread? Was it the camera work, just so you could have her featured in the magazine? How can she weigh 122 pounds in SCORE, then suddenly weigh 150 pounds in XL? How does that happen? You've got some explaining to do. Also, nice debuts of Sadie Berry and Angellyne Hart—a future fantasy girl of mine.—S.M., Baltimore, Maryland

Dear S.M.,

When we first shot Arianna, she was smaller and more of a SCORE and V-mag type of model. She grew from the first time we shot her to the next. With her new curves she was the right size for XL, don't you think? You may occasionally still see a set of her in SCORE or V-mag from her lighter days, which explains the discrepancy in her weight.

Renee Never Disappoints

Dear XL Girls,

Thank you for running the photos of Renee Ross fucking. I had been waiting a while to finally see her hardcore pictures, and I was very pleased to see this former nice girl go naughty. I own, and love, the movie *K-Jugs*. In my humble opinion, it's one of the best movies you've ever put out. I really enjoy the porno movies with a plot. I've watched *K-jugs* many times, and the scenes that I have watched the most are the ones with Renee in them. She's my dream girl.—M.D., Hoboken, New Jersey

Daniella Grey & Juan Largo

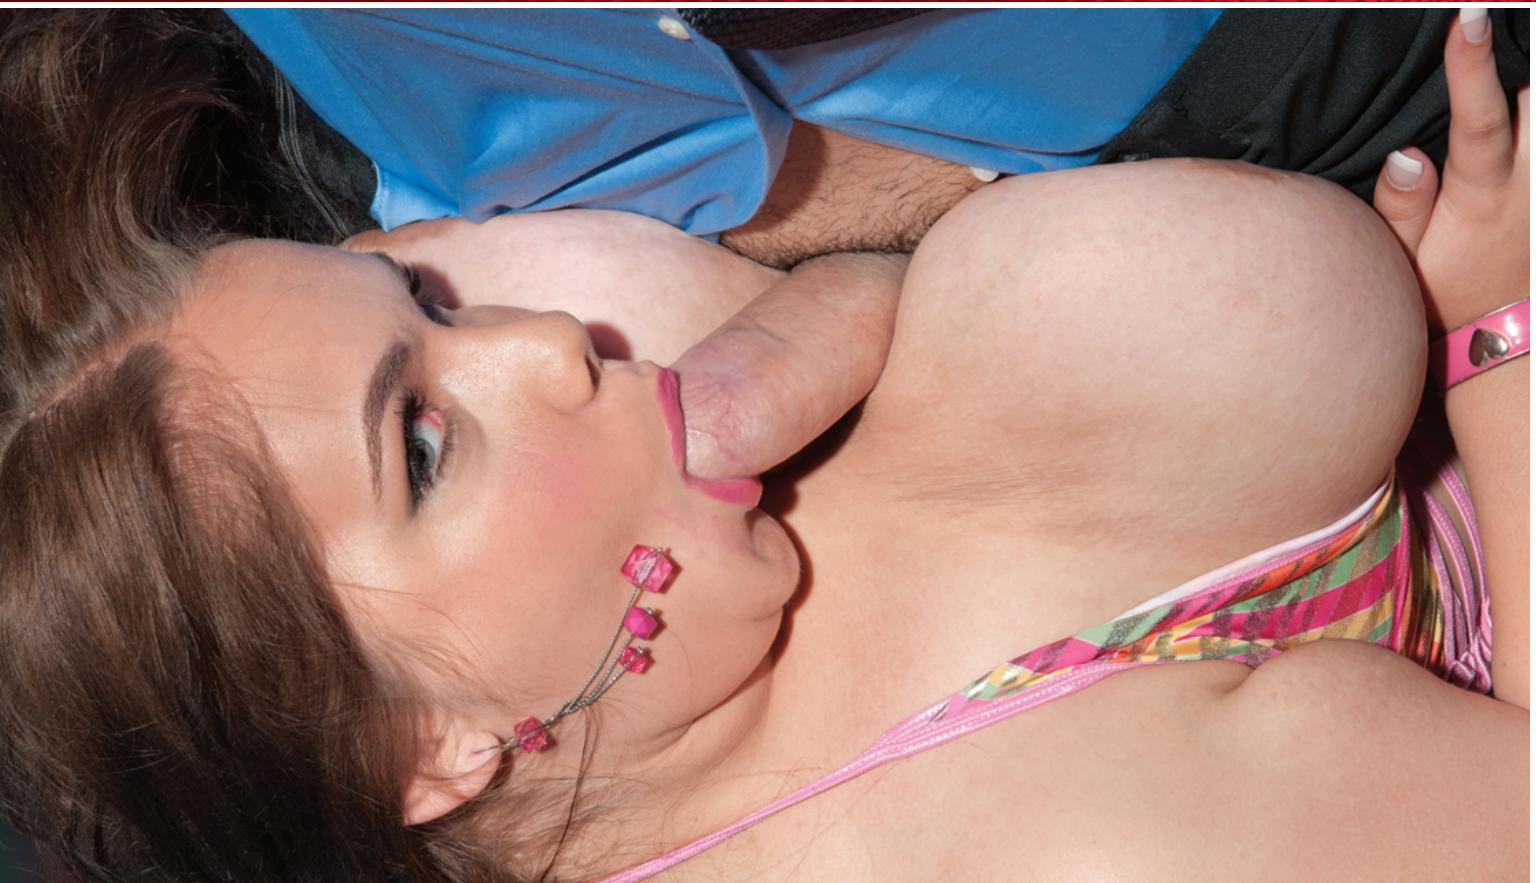

There needs to be more girls built like Daniella in strip clubs. Girls with a little meat on their bones. Girls that have soft bits that jingle and wiggle when they dance and shimmy on stage. If you can't find a strip club like that in your town, then you need to head over to *XL's Big Girl Strip Club*, where Daniella and girls like here are rockin' the stage and rockin' cocks in the champagne room.

Sometimes, it's worth it to splurge at the strip club. Get a lap dance and you'll get some T 'n' A in your face, maybe even a hand job. Throw a couple more bucks her way, and you might be able to get your dick wet. Go the extra mile with your wallet, and Daniella will go the extra mile with her asshole. In her scene from *Big Girl Strip Club*, short, little Daniella gives up her puckered starfish to a big, hard cock. Like any horny stripper, she gets excited whenever there's a pole to jump on!

"Before I do anal, I need to get fucked. It helps to turn me on more, and it helps me relax," Daniella said of her pre-anal warm-up routine. "Then I like for the guy to finger and lick my asshole. It gets me ready for the cock that's going inside there. Then he needs to put it in nice and slow, and be gentle! I haven't done anal *that* many times so no hard pounding. That's what my pussy is for." In this scene, Daniela gets a good pussy-drilling, and a nice ass-hanging just the way she likes it. We bet you'll like it, too.

Daniela said she enjoyed being a stripper for this movie, and that she might make a cameo during amateur night at her local strip club. "I really like strutting my stuff on stage, and having every guy's eyes on me. I know guys look at my pictures and videos, but it's a completely different experience when they're eyeing you like hungry wolves in person. There's so much sexual tension. I'm thinking of going to an amateur night contest. I hope I win the grand prize!"
